

# MARK D. BERIO

**Address:** Purok - 1 Brgy. Mercedes Catbalogan City, Samar
**Phone:** 09943927401
**Email:** markberio30@gmail.com
**LinkedIn:** mark-berio
**Portfolio:** berportfolio.vercel.app

## PROFILE

A dedicated Computer Engineering graduate eager to secure a full-time role in the tech industry. Skilled in applying technical expertise to solve complex problems and deliver impactful solutions. Thrives in fast-paced environments with a strong commitment to learning and growth. Equipped with excellent problem-solving abilities, communication skills, and a passion for innovation, ready to contribute to cutting-edge projects and drive success in the field.

## WORK EXPERIENCE

**Salenga Law Firm - Programmer** **May - July 2025**

- Built a terminal-based automation tool using Playwright (Python) for web scraping: searched a person's name on Google Images, clicked the top 3 results, and automatically downloaded the images.
- Fixed an undefined symbol error in a Rust-based federated learning system by identifying and updating mismatched PyTorch and LibTorch versions.

**PhilHealth Regional Office VIII - Technical Support Internship** **March - May 2024**

- Provided technical support to users, resolving computer, and network issues.

## EDUCATION

**Bachelor of Science in Computer Engineering** **2020 - 2024**
Samar State University

**Information Communication Technology (ICT)** **2018 - 2020**
Samar National School (Senior High School)

## PROJECTS

**Senyas: Filipino Sign Language Translation for Two Way Communication (Capstone Project)**
**Embedded & Kodular Developer - Team Member**

- Developed a Kodular-based mobile app that converts speech to text and communicates with a Bluetooth-connected device to translate it into sign language as words or letters displayed in the app.

## ADDITIONAL INFORMATION

- **Technical Skills:** C++ | Rust | Embedded System Development | Python | HTML, CSS, JavaScript | VB.NET | Figma | Canva | React.JS | Node.JS | Computer Troubleshooting | Network Setup and LAN Cable Crimping | Data Entry
- **Languages:** Waray-Waray (native), Tagalog (conversational), English (conversational).
- **Certificates & Training:** Computer System Servicing NCII | Coursera: Google IT Support (2024)
